PROFILE SUMMARY

I am a passionate junior developer based in London, skilled in Unity, C# and frontend web development with React. Experienced in 2D/3D game development as well as working on web application using; React,Javascript, TypeScript, Jest, HTML, CSS, TailwindCSS, SQL, and more. With strong problem-solving abilities and a detail-oriented approach, I worked and contributed in teams using Agile Methodologies like Scrum and Kanban.

WORK EXPERIENCE

Programming Instructor
FastTrack Technology Academy

May 2024 - Present

- Teaching game development to kids using Unity and C#, fostering creativity and coding skills.
- Guiding students in developing game mechanics and designing levels, enhancing their technical abilities.
- Lead instructor for kids' web development classes, covering HTML, CSS, Linux, and JavaScript.
- Assisting students in building their web app portfolios by leading hands-on projects, enabling them to apply learned concepts to real-world scenarios.

Junior Web Developer (Intern)
Luul Solutions LTD

November 2023 - April 2024

- Successfully completed a 6-month web development internship, contributing to projects at LondonJuniorDevelopers.com, a platform designed for budding developers in London.
- Gained extensive hands-on experience with React, developing dynamic and responsive user interfaces that enhance the user experience and improve overall site functionality.
- Improved styling and layout design skills using advanced CSS techniques, resulting in visually appealing and user-friendly web pages that align with modern web standards.
- Worked on an ongoing project called TCMS (Tuition Centre Management System), developing a platform designed to enhance the management capabilities of tuition schools globally.

SIA Security Officer
Habib Security and Manpower LTD

January 2023 - April 2024

- Worked at several stadiums such as Wembley Stadium, OVO Arena and more
- Achieved the L2 Spectator Safety certification
- Using my customer service experience to aid people

Warehouse Operator
Bakkavor Group

July 2022

- Warehouse operative at Park Royal Branch
- Working in a high intense environment, testing my communication and dedication
- Temporary role that taught me to be patient and work hard with my peers

Customer Service Advisor

July 2021 – September 2021

Sitel Group

- Collaborated with the NHS Track and Trace program, contributing to efforts to control the spread of COVID-19.
- Supported and reached out to hundreds of COVID-19 patients, providing essential information and assistance during their recovery.
- Provided emotional support and conducted wellbeing checks for individuals in need, ensuring they felt cared for and connected during isolation.
- Worked closely with healthcare professionals to coordinate timely follow-ups and maintain accurate reporting for effective patient care and community safety.
